

Project Report

This is to mention that Team Code Crusaders from Birla Vishvakarma Mahavidyalaya has successfully completed their task of Intel Unnati Training Program in the Problem Statement: "Running GenAI on Intel AI Laptops and Simple LLM Inference on CPU and fine-tuning of LLM Models using Intel® OpenVINO™".

The project is verified by the college faculty mentor: Dr. Narendra Patel and is ready for submission.

Date: 8th July 2024
